WELCOME

BRYCE CAMM

Chairman, Beef Australia

As the Chairman of Beef Australia, it is my distinct pleasure to welcome all participants, exhibitors, sponsors, and visitors to the Nutrien Ag Solutions Commercial Cattle Championship.

The Nutrien Ag Solutions Commercial Cattle Championship is a permanent fixture on Beef Australia's calendar of events where Australian commercial cattlemen and cattlemen compete for a chance to have their cattle awarded the best in the country.

The championship aims to ensure Australia's beef industry remains productive and profitable by selecting judges with comprehensive knowledge on current market specifications, relevant to market drivers and modern production parameters.

For generations, Australian beef producers have demonstrated a robust commitment to raising healthy, sustainable livestock and delivering premium products to markets around the globe. It is this resolute dedication to quality and integrity that has earned Australia its reputation as a world leader in beef production.

The success of Championships and events like the Nutrien Ag Solutions Commercial Cattle Championship are made possible through the support of committed partners and the significant efforts of many volunteers.

I would like to extend my thanks to the Beef Australia Commercial Cattle Committee, led by Angus Creedon and Commercial Cattle Coordinator, Raylene Trulson for their diligent advocacy for excellence and

innovation in this sector of the industry.

I would also like to offer a special thank you to our Principal Partner Nutrien Ag Solutions for their continuous support, along with the many judges, auctioneers, volunteers, and staff for their contributions.

To all of the participants, congratulations on your achievements so far and all the very best for the Commercial Cattle Sale.

I hope you enjoy the Nutrien Ag Solutions Stud Cattle Championship and the wealth of other events and activities Beef2024 has to offer.

ANGUS CREEDON

Commercial Cattle Championship Committee Chair

Welcome everyone both young and seasoned to the Beef 2024 Commercial Cattle Championship. This year, we are again fortunate to have the support of Nutrien as the Naming Rights Sponsor and thank them for their continued support.

In my opinion, this competition is the reason Beef Australia exists. The cattle presented in this year's competition are a fantastic representation of where beef production stands in 2024. Some of Central Queensland's leading commercial and seedstock producers are showcasing the fruits of their labour and I trust they will be well supported come sale time. With the market correction witnessed in 2023, high grain prices and some uncertainty of where the market would be in May 2024, the committee is grateful for the vendors contribution to this event.

I want to pay special mention to Mark Howard, whilst not leaving the committee, his leadership as Chair of the event over past competitions has made my transition into the role a seamless one. The committee has grown this year with some new faces, and if you get the chance please show your gratitude to them for the work they have put in to deliver this event.

To all the young judges, it is great to see so many of our youth, motivated and passionate, getting involved in the industry.

A special thanks to our nominated selling agents and judges for this year's event, Mr Glenn Poole and Mr Craig Price. The time taken out of your schedules and your expertise in judging the event is greatly appreciated.

I could not think of a more fitting way to begin Beef 2024. We hope you enjoy this event and the remainder of the week.

JULIAN LAVER

Livestock Manager, Nutrien Ag Solutions

Welcome vendors, buyers, visitors, locals, interstate, and internationals to the Beef Australia 2024 Nutrien Ag Solutions Commercial Cattle Championship.

Nutrien Ag Solutions is thrilled to be the major sponsor of the Commercial Cattle Championship. We understand all the hard work and dedication required to run a successful cattle operation, which is why we strive to support producers with leading technologies and unrivalled personalised expertise.

This event brings out the best in commercial cattle as well as the future young talent we have on offer. Nutrien is committed to Going Further for the industry by helping secure a bright future through events like this.

Congratulations to all vendors on an outstanding lineup of prime cattle!

Best of luck to you all.

The Australian Government supports our world-class beef industry

The Australian Government is proud to be a presenting partner at Beef Australia 2024.

Beef Australia 2024 showcases our world-class beef industry, supporting new trade and export opportunities for one of our most valuable and internationally renowned export commodities.

Australia's high-quality beef is big business for our national economy and is contributing towards the agriculture sector's goal of becoming a **\$100 billion** industry by 2030.

The beef industry supports thousands of jobs for many communities across regional and rural Australia.

We're proud to support industry through strong biosecurity, co-investing in research and development, and helping farmers to prepare for drought and adopt climate-smart practices.

The **Department of Agriculture, Fisheries and Forestry**—working together to safeguard and grow sustainable agriculture, fisheries and forestry for all Australians.

BEEF2024

5-11
MAY

“The Queensland Government has helped us understand how to appropriately manage the land types in this area, including identifying different grasses, calculating carrying capacity and coming up with a business plan, including aspects of the business we wanted to improve.”

Megan Dunne, Shawlands, Biloela.

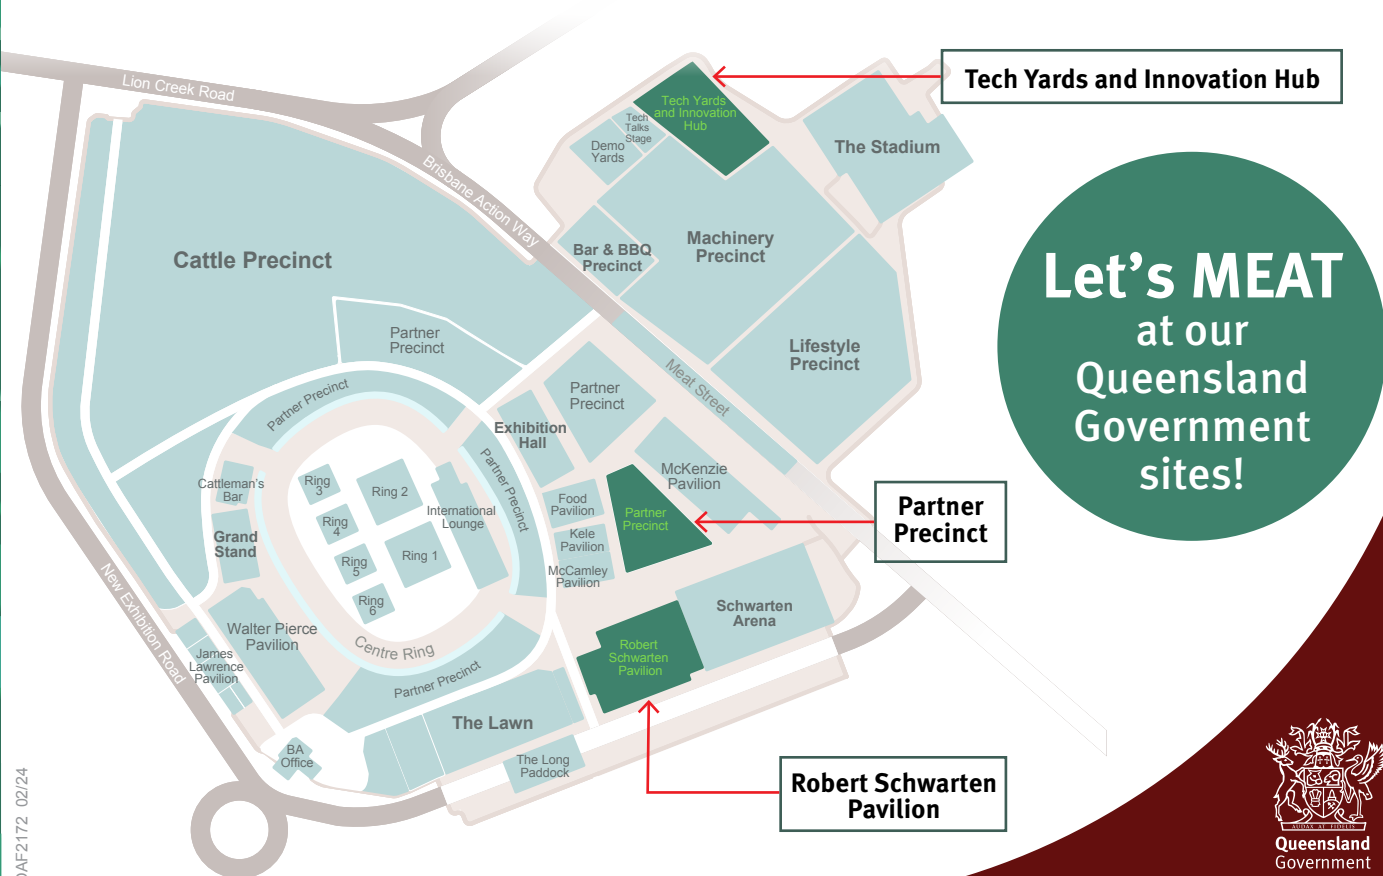

“There’s just so much information out there, go out and find it, take that time out of your business to then come back and implement change into your business because you will reap the rewards.”

Sonya Shelley, Wandoo, Nebo.

JUDGES

CRAIG PRICE
Livestock Manager,
Kilcoy Pastoral Company

Craig has worked in the Beef Industry for 36 years. He began as a Trainee working for the Vestey family at Riverstone Meat Co in Sydney, and the last 22 years with Kilcoy Pastoral Company as the Livestock Manager.

Craig's judging invitations include Ekka Led Steers 2017 and 2023, Sydney Royal Easter Show Led Steers 2017, 2018 and 2021, Glen Innes Beef Extravaganza Led Steers 2023, Combined Forces Led Steer 2020-Toogoolawah, Farmfest Led Steers 2019, Prime Cattle at the Ekka twice, Commercial Cattle at Beef 2012 as well as numerous country shows around Queensland and New South Wales.

GLENN POOLE
General Manager Livestock,
Tey's Australia

Born in Toowoomba and raised on a mixed farming and cattle operation in the Lockyer Valley, Glenn Poole is a respected industry veteran with a livestock career spanning four decades.

Educated in Gatton, Glenn entered the industry in the late '70s at Morex Meats, Grantham. Starting as floor hand, Glenn progressed through roles as scale operator, carcass grader, offal room manager, transitioning to Morex livestock operations where he gained hands-on experience across buying, shipping, production and sales before heading the Livestock team. Glenn also worked with Calvert Meats Wholesaler, as Livestock Manager.

Glenn joined the Teys team in 1999 as Livestock Manager, Beenleigh bringing his expertise to the Teys livestock operations. His deep industry knowledge is highly valued and contributes to the success of the Teys Livestock team.

Celebrating 185 years of Elders

For 185 years Elders has been embedded in the fabric of Australian agriculture and played a key role in rural and regional communities by employing local people and servicing local farming families.

Your local livestock agent will apply their local knowledge and experience, taking a hands-on approach to assist you at every stage, so you can maximise your herd's potential, grow your business and achieve your goals.
